SPECIAL TOURS

DESTINATION: BONN – A FLIGHT FROM THE SIXTIES INTO THE FUTURE

In 1965, when the Bonn Opera House first opened its doors, the city was the capital of West Germany (the »Bonn Republic«) and struggling to find its identity and urban focus points. Until this day, the Opera House is a witness to never-ending transformations. Do you want to connect with Bonn, its heritage and its prospects? Then come in and have a seat in one of the custom-made sixties lounge chairs: This building has a story to tell.

»Et bliev nix wie et wor!«

(a saying from the Rhineland: nothing ever stays the same)

Sat, 10. Dec

Sat, 18. Mar

Sat, 13. May

at 3 p.m.

Tickets are available at our box offices exclusively and in advance.

(EUR 8 – Admission for Children under 14 is free)

All special events will be held in English; all performances have English surtitles. Please register at movingtogether@bonn.de. Times are subject to change. Please scan the QR-code for more detailed information or go to theater-bonn.de/en/moving-together/#services
